

**1<sup>st</sup> ASIAN Indoor Championships at Tehran / 06. – 08.02.2004**  
**(-courtesy of Mr Bijan Shadmehr and Mr Iradj Derakshan in addition to the information from the Championships-website-)**

-athletes from 23 Asian AA member federations participated-  
-unfortunately results from official website were very inaccurate and incomplete-  
-after additional contacts I was able to receive the remaining results (with few exceptions) and various corrections thanks to the kind cooperation from Mr Bijan Shadmehr and Mr Iradj Derakshan-  
-please consider, that wrong results were reported earlier by other sources (such as by IAAF-reports, TILASTOAJA results service), because based upon the wrong information from the “official website”-  
-following are (nearly) complete results, as far as reported to me-  
-the Medal Tally was updated acc. to the revised results and in contrast to the incorrect Medal Tally at the website, which was based upon wrong country-codes for medallists and didn't consider Heptathlon & Pentathlon results at all-  
-the following list includes several changes; esp. the performances in Heptathlon and Pentathlon were completely wrong scored and I'll include the correct scores with acknowledgements to the experts (Enn Endjärv, Mirko Jalava, Vaclav Klvana and Hans Van Kuijen), who kindly forwarded the exact results-  
-other adds/corrs (to Men's 60 m; 400 m & LJ) received from Mr Bijan Shadmehr and all the changes are underlined-  
-finally I would be very thankful for the remaining missing details to Women's events (see “??” for 200 m & 400 m)-
